JAN LAL): (a) Rivers some stretches of which are being polluted are the Chambal at Kota, the Khadkhada at Khetri, the Barach at Udaipur and Chittcrgarh, the Bandi at Pali, the Jojari at Jodhpur and the Luni at Balotra.

(b) According to the available data the level of pollution existing in the rivers is:

	PH	Conductivity	Chemical Oxygen Demand (mg./Iitre)
Khadkhada at Khetri Barach near Udaipur	3.5 —4.1	1970—2200	155—407
Barach at Daroli to Nandwel (Chittorgarh)	799—8 20	1200—1500	41—44
	8.48—8.57	1600—1900	41—92

(c) The steps taken include the following:

(i) The industries are directed to instal and to modify the existing facilities for treating the effluents to the prescribed standards before discharge into rivers;

(ill) Legal action is taken against the industrial unit for violation of pollution control requirements;

(iii) Fiscal incentives are given to the industries for installation of effluent treatment plants; and

(iv) A combined effluent treatment plant for cluster of small scale units has been set up at Pali and similar plants at Jodhpur and Balotra are being planned.

LIC Loans fo$_r$ Municipalities and Corporations

*56. SHRI CHANDRIKA PRASAD TRIPATHI: SHRIMATT RATAN KUMARI:

Will the Minister of FINANCE be pleased to state:

(a) whether LIC advances loans to Municipalities and Corporations for executing their water supply schemes under the guarantee of the respective State Governments;

(b) if so, what ar$_e$ the details of the procedure laid down for giving loans to Municipalities/Corporations;

(c) whether the Central Government propose to simplify the procedure by giving lumpsum loan to the State Governments as per Plan allocation, which will b$_e$ responsible for granting loan to the local bodies; if so. what are the details thereof and if not, what are the reasons therefor; and

(d) whether LIC loans are granted outside Plan ceiling to facilitate early completion of major water supply projects of the State and if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARY):

(a) Yes, Sir.

(b) and (c) The loan applications for technically and administratively approved schemes of Government re ceived from State Governments or the State-level Boards, wherever constlituted, ar$_e$ examined by the Life Insurance Corporation of India. Jus tification and financial viability of the Schemes are established before sanction of loans. After execution of agreement by the borrower and Gua rantee Deed by the State Government concerned, loans are disbursed in in stalments looking to the financial and physical progress of the Schemes in hand subject to the allocations made by the Planning Commission.

In the overall interest of the policy-holders, it is necessary for the LIC to monitor the physical progress of each Scheme to ensure proper utilisation of funds and also matching contributions by the Municipalities, etc.

(d) Yes, Sir. Details of loans sanctioned and released in this respect are as under:

(Rs. in crores)

	Sanction-ed	Released
1. Rajkot Water Supply Scheme	9 00	2.5
2. Bangalore Water Supply Scheme	50.00	Amount not yet lifted.
3. Bhopal Water Supply Project	2.00	-do-
